

AGENDA

February 23, 2011

1. Robot/ Gaming Grant
2. Common Core and State Standards and Elementary Math Specialist
3. Our guest presenter is Aleksander L. Marthinussen of the Mid Atlantic Aerospace Complex (MAAC). The group has an Aerospace Education Program (AEP). This program is funded by a NASA grant to bring the excitement of aerospace to youth in grades 7-12. There will be a short presentation and then comment and question time.
4. Next Meeting: April 6
5. Other Items?
