

Blue Ribbon Mathematics Partnership Meeting Notes

In affiliation with Doddridge, Hampshire, Harrison, Marion, Mineral, Monongalia, Preston, Randolph, Ritchie, Taylor, Upshur and Wood Counties, Fairmont State College, West Virginia University - Morgantown, and West Virginia University-Parkersburg

2/22/06

Members Present: Melanie Butler, Al Edwards, Todd Ensign, Susan Goodwin, Lisa Hileman, Boyd Holtan, Don Kenyon, Traci Knight, Allan Meck, Holly Plunkett, Laura Pyzdrowski, Cheryl Reger, Craig Shanholtzer, Susan Sun, Donna Trulik,

1. The Blue Ribbon Probability and Data Analysis grant was funded (\$48,879). Due to a conflict with the dates set up for the Department of Education 5-Year Math Task Force Meeting, the workshop will be held August 7 - 11. Applications and Flyers will be posted on the Web Page. First deadline is set for May 12 for applicants from the Blue Ribbon Counties. After that date, applicants will be accepted in the order received.
2. A one-day NASA mini grant will be written by Dr. Melanie Butler to supplement the probability workshop. A consultant such as Landy Gumbald will be recruited if funds are secured.
3. Blue Ribbon members are invited to register for a Secondary Math Programs meeting at Marshall. An invitation and registration material was passed out at the meeting.

At 5:00: Traci Knight presented Math 33, a Math Science Partnership Grant obtained through the West Virginia Department of Education.

Next meeting to be held at 4:00, March 29 at Bridgeport High School. Duane Lewis will present information of TIME KITS used in an Engineering/Mathematics Project.
